PERSONALIZED INSURANCE QUOTING KIOSKS

Generate more business in shorter time!

Reach new business by expanding your market via our safe & secure kiosk, allowing you to market across multiple locations. (additional kiosks required).

Advanced Kiosk

Our kiosks are the most advance kiosks on the market, allowing the prospect to request a home or auto quote & receive it within minutes in their email!

Safe, Secure, Information protected.

With our kiosk software no prospect can access anything but the request a quote & has no access to previous requestor's information. Also has "where's my iPhone" app so you always know where your kiosk is!

Personalized!

Each Kiosk is personalized with a large graphic advertisement with optional agency information and optional agent picture. Each kiosk is compact and easy to transport.
